

# NIGHTFIGHTER

FORWARD-THROW LUMINAIRE

WEATHER-TIGHT AND  
VANDAL-RESISTANT

LIGHT FORMERS  
SERIES

## LET THERE BE LIGHT FEATURES

The NightFighter Series Wall Pack is an efficient LED replacement for conventional HID wall packs that delivers uniform lighting and long-term savings and quick paybacks for exterior illumination projects.

- Traditional design with forward-throw glass lens
- Emergency battery backup option available
- Custom wattage/lumen packages available
- Two-piece die-cast aluminum construction allows backplate to be mounted to wall with LED module and lens assembly attached separately
