

TRIPROOF

ULTRA UTILITY STRIP

Length	A	B	C
2ft	23.62"	3.72"	2.71"
4ft	47.24"		
8ft	94.49"		

PRODUCT DESCRIPTION:

The Triproof Strip Series is a weather-tight and vandal-resistant linear strip fixture that can stand up to the most demanding of lighting applications. With IP65 and IK10 ratings, two lumen efficacy packages, and options for multiple power connections, integral motion sensors, and emergency battery backup, the Triproof Strip Series is the robust linear solution for your next commercial or industrial lighting project.

Behind-lens sensor and emergency battery backup options make the Utility Strip ideal for stairwell and parking garage applications.

OVERVIEW:

- Two lumen efficacy packages available
- Available Sizes: 2ft, 4ft, & 8ft
- IP65 & IK10 Rated
- Five power connection options to support various applications and installation requirements
- Factory-installed 8W emergency battery backup option available (90-minutes minimum)
- Input voltage: 100 - 277VAC (0-10V dimming standard)
- Power factor: ≥ 0.90
- CRI: $R_a > 80$
- Operating temperature range: -20°C to 50°C
- Rated Life: 50,000+ hours • Limited warranty: 5 years on luminaire

ORDERING INFORMATION:

A complete luminaire assembly is made up of a mount and a luminaire, both items must be ordered separately.
